A new website for Bigelow.

PREPARED FOR MATT AND KELLY · BY ERIC BERG, CRUSH

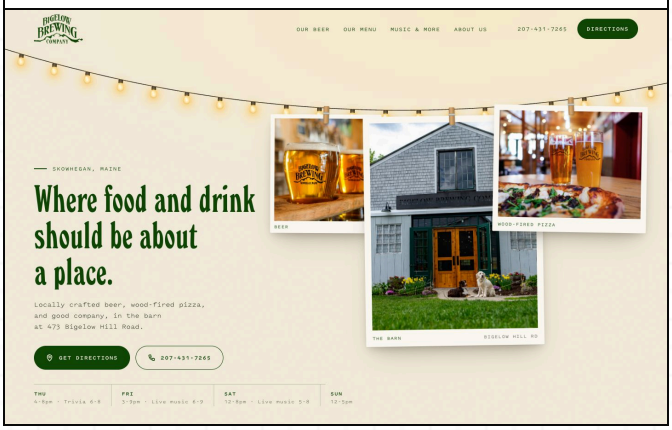

THE TOP OF YOUR HOMEPAGE

Three ways it could look. Pick one, and we build the rest in it.

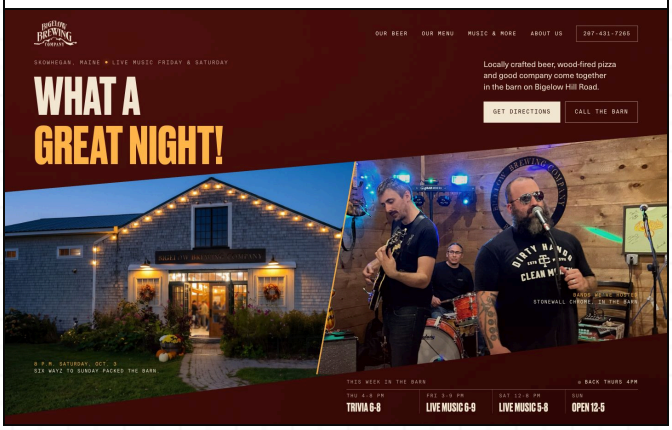

01 YOUR PINTS, ONE BY ONE.

02 THE BARN, BY DAY.

03 A GREAT NIGHT IN THE BARN.

THE LAUNCH

$2,500

for $3,660 of work, one time

LIVE

Within a week

of saying go

YOURS

Yours to keep

site and files in your name

01 WHERE WE STARTED

What we built it around.

01

A new chapter in every pour.

The Slim Peaks line from your Our Beer page. Option 1 puts your own studio pint photos on black, one beer at a time with its name huge, and a flight of ten pints picks the next one.

02

Where food and drink should be about a place.

Your homepage line. Option 2 is light and open in your own green: the barn, a pizza with two pints and a flight, pegged under a string of lights like the barn's own.

03

What a great night!

Your caption on the Oct. 3 photo when Six Wayz to Sunday packed the barn. Option 3 is the barn at blue hour and Stonewall Chrome on your stage, with the week's trivia and music under it.

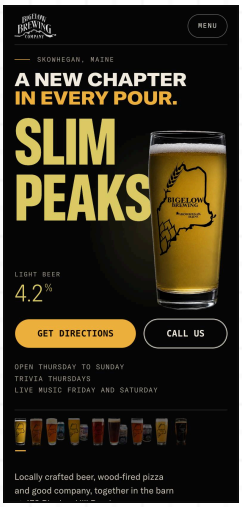

Bigelow Brewing Company at 8p.m. Saturday, Oct. 3, 2025. Six Wayz to Sunday packed the barn. What a great night!

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** A new site for Bigelow: the homepage, your beers, your food menu, your taproom and events, and a way to get in touch, built out from the top you've just seen. Live on your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for your regulars and your list, so the people who already love your beers hear about the new site and the next release from you.	$350
04	**A launch ad set** Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant built around your taproom, so callers asking about hours, what's on tap, the kitchen or this weekend's events get an answer while your team is pouring, and every call becomes a short written record.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 17 NOVEMBER 2026

BONUS	**Launch email setup** We set up the launch email and line it up for your regulars and your list, ready to go out on launch day.	$180

TOTAL VALUE	YOU PAY	THE ONE-WEEK PROMISE
~~$3,660~~	$2,500	If the site isn't live within a week of go, your first three months of changes are free.

ALL PRICES IN US DOLLARS. EACH VALUE IS OUR OWN PRICE FOR THAT PIECE ON ITS OWN.

03 HOW IT GOES

Live within a week of go.

DAY 0

You say go

You pay the 50% deposit and give us access to your domain and current site. Your live site won't change until you say.

DAYS 1 TO 7

We finish the site

We build these pages into your full site. You see every page in a preview before anything goes live.

LAUNCH

It goes live

The new site goes live on your domain, and the promo and launch email are ready to go out with it.

30 DAYS

Changes, next day

Text or email a change and it is live the next business day.

04 INVESTMENT

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. It's built lean and tested on a preview before anything goes live, and your forms keep sending to the same inbox they do now.

03

Who owns it?

You do. The design and every file sit in your name. Your domain stays with you; nothing of ours renews unless you ask.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.

06

What about new releases?

Then the site changes with them. New beers, hours and events are easy to update, and I'll load your current lineup into it as part of the build.

07 NEXT STEP
